Dear Mr. Jackson:

It has come to our attention that your mining claims, Dirty Devil #1, #2, #5, and 3 Fraction, have been voided by the Utah State Office, Bureau of Land Management. We have approved a plan of operations, UTU-71050, for road work on these claims. We would like to know if you are planning to continue with the proposed work or if you propose to withdraw the plan of operations. If you wish to conduct activity under the plan of operations, the plan must be amended to reflect the changes in the status of the mining claims and a bond must be obtained.

If you have any questions, please feel free to contact Neil Simmons of my staff at 801-637-4584.

Sincerely,

PENELOPE J. DUNN

Area Manager
